

Engauge Equal Opportunities Commitment

Here at Engauge we are all committed to being an Equal Opportunities employer and business.

We take active steps to ensure that our internal employment policies and practices do not discriminate on any basis and that we demonstrate the value that each employee's individuality brings to our business.

We expect everyone who works for us to support us in maintaining our commitment.

Our Commitment also provides to ensure that as a matter of principle our promise to provide equality in opportunity and treatment applies equally to our customers, suppliers and others who are directly associated with the business.
